The administrators of the Ponca City School Board are FRONT row Dr. Allen Robson, Superintendent, Mr. Floyd O. Martin, President of the Board, BACK row Mr. R. E. Geren, Assistant Superintendent, Mr. Charles Duffy, Attorney for the Board, Mr. Owen Cavett, Clerk.

Members of the board who are on the Auditing Committee are FRONT row Mr. C. Richard Pitts, Mr. George E. Mosman, BACK row Mr. Lawrence D. Drenth, Mr. George Page.

The Ponca City School Board forms the nucleus for all the activities and decisions in the school district this year. The school board began its work with the organization of the school calendar. This job included determining the number of days that school would be held and vacation times. The school board met each month to discuss any problems in the district and to report the findings of various committees. Each member of the Board served on several committees and was chosen for that committee because of his interest or qualification in that area. Committee members gather information and suggest solutions to problems. These facts are then presented to the Auditing Committee which prepares them for the monthly meeting of the entire board.

At the FRONT row Mr. Paul E. Lawrence Mr. Joe Steichen BACK row Mr. George Page, Mr. Harold H. Jones

Mr. Tom Wyatt introduces us to one of the interesting art pieces in his beautiful home.

Leading very active lives in the Ponca City community the administrators of our high school still find time to devote themselves to the students and faculty.

Mr. Robert E. Ford is presently the President of Rotary Club, a member of the YMCA Board, and the Chamber of Commerce. He attended high school at Bristow, Oklahoma, and went to college at Northeastern State, OU, and OSU. He was also principal of Edmond High School. Mr. Ford enjoys hunting, fishing, golf, camping, and almost any outdoor sport as his hobbies.

Mr. Tom Wyatt has held positions as Administrative assistant and Counseling Coordinator before being Vice Principal and Counselor here at Po-Hi. He is now the Secretary of the Kiwanis Club and has been a member for twenty-four years. Mr. Wyatt attended high school at Ada High School, he received a BS degree at East Central State and his MA at OU and OSU. His hobbies are golf and being with his family.

The sophomore boys' counselor and Vice-Principal is Mr. Delbert Carlile. He has served Po-Hi in many positions prior to his present ones. He has been football, basketball, wrestling, and track coach and an attendance officer. Mr. Carlile went to high school at Perkins, Oklahoma, and received his BA, MA, and Counselor's Certificate at OSU. Mr. Carlile's hobbies are fishing, camping, and his family of three children.

## Grammar, Literature Studied in Language Arts

When one encounters a person his communication is through the English language. English is not only the grammatical study of the language but the development and use of it.

Literary forms are studied each year - poetry, short stories, novels, and plays. Along with these come grammar and composition which includes word usage, sentences and paragraph structure.

During the senior year English Literature is studied from the Anglo-Saxon Period to the Twentieth Century. As a junior one studies American Literature. Sophomores study a variety of works including *The Miracle Worker*, *Julius Caesar*, and *Silas Marner*.

Since speaking and listening are vital in the English language, related subjects are Speech, where students develop the ability to speak before groups, Speech Activities, which broadcasts Po-Hi Pourri - the school radio show on WBBZ, Journalism, which forms the basis for the staff of the *Poncan*, the school newspaper, Creative Writing, which teaches a means of expressing one's ideas, and World Literature where one becomes well rounded in his basic literary composure.

1969-70 was the second year for the Great Books and Ideas course in the Social Studies Department. This class emphasizes ideas in all societies such as the idea of family life in various eras.

There were two new teachers in the Social Studies Department this year. Mr. Snell taught for one semester two years ago and was then drafted. Mr. Smith, formerly a teacher at East Junior High School, taught American History.

Other courses taught in the Social Studies Department were World History, Current International Problems, Problems of Democracy, Psychology, Sociology, Government Economics, and World Geography.

Daintily, Mr. Jerry Runyan leads his sociology class in oral reading.

Mr. Wilson, it's just an interested student getting help on a Science

To many students at PO-HI, the Science Department was the most important during the past year. The majority of students who have planned college in their futures found that the science courses such as Chemistry, Advanced Biology, Physiology, and Zoology were a great help to them.

Physiology and Zoology, taught by Mr. Jantz, were new courses in the Science Department this year. The beginning enrollment for these companion courses was seventy-four students. Other courses taught were Biology, Physical Science, and Advanced Chemistry.

I refuse to get my hair cut Mr. Ford says Mr. Lloyd Gelmers. "I don't care if you do take me off the volleyball team."

The Mathematics Department offers a wide variety of study ranging from mathematics needed by the average consumer in everyday life to calculus for those planning for college.

The courses include High School Math, Algebra I, Geometry, Algebra II, MSG Algebra II, Trigonometry, MSG Trigonometry, Math Analysis, MSG Math Analysis, Matrix Algebra and Computer Math.

The Mathematics Department, under the direction of Mr. Gelmers, also sponsors the Math Club and the Slide Rule Club.

In the morning the shop building came alive. Boys in Mechanical Drawing, Print Shop, Machine Shop, Auto Mechanics, and Woodwork were busy at work.

Classes were organized for beginning, intermediate, and advanced workers in each field.

Each student learned his trade under the direction of a well qualified instructor. These courses help a student to select his vocation.

Many students at Po-Hi chose the field of business. To aid them in their choice of future professions, many business courses were offered.

Students wishing to follow a career in business might select one of these courses: Typing, Business Typing, Shorthand, Machine Math, Bookkeeping, Consumer Economics, Applied Business Law, or Office Practice.

To get on the job training and experience, sixty-five students were enrolled in the distributive education class.

To enlighten students in many fields a variety of courses were offered at Po-Hi. The student received the right to make a personal choice of what electives to take. These electives included foreign languages, home economics, music, art, gym, and driver's education.

The foreign language department offered Latin, French, and Spanish. Foods and clothing were offered in home economics. The music department consisted of band, orchestra, chorale, choir, music theory, and girls' glee club.

Some non-solid courses offered were girls' and boy's physical education and driver's education.

IN MEMORIAM Mrs. Adrienne Kruse who served our school as a secretary for four years

Almost every PO-HI student encountered a secretary during the year. The secretaries helped students and faculty with schedule changes and messages. Mrs. Shirley Pigg and Mrs. Violet Nine were instructional aides who served the teachers by typing tests, duplicating materials and doing odd jobs. The attendance office, a new addition last year, helped solve much of the main office congestion.

Mrs. Betty Sanders enjoys helping students and faculty in the office.

# School Problems? Counsel With the Counselors

Mrs. Mitchell and Mr. Ingersol watch the excitement between classes in the basketball gym.

Planning class schedule for sophomores is a big job for Mrs. Ware and Mr. Carlile.

College entrance exams keep Mrs. Beaubien and Mr. Wyatt busy throughout the year.

Counselors played an important part in the communication with the student body. Each student encountered a counselor through schedule changes, absences, vocational guidance, the next year's scheduling, or disciplinary and personal problems.

Mrs. Barbara Ware and Mr. Delbert Carlile were the sophomore class counselors. They helped students with schedule changes, and choosing a course of study for the junior year.

The counselors for the junior class were Mrs. Velma Mitchell and Mr. Paul Ingersol who steered the class in making decisions for the prom.

The senior class counselors were Mrs. Ruth Beaubien and Mr. Tom Wyatt. Each advised seniors on their choice of vocations, colleges, and entrance exams.

# Custodians, Bus Drivers Serve Po-Hi in Storms

Students at PO-HI were proud of their school's cleanliness and well-kept condition. It was the custodians' job to keep our campus that way. The custodial staff, consisting of six men and four women, often worked late into the night and on school holidays. They were always willing to clean up bottles of perfume that had been spilled or sweep up a lost contact lens.

Another group of people who give their services to the students of PO-HI are the bus drivers. Even in zero degree weather and on ice covered roads, the bus drivers manage to bring many students to school.

# Staff Strives for Book More Relevant to Society

Editor-in-Chief Kevin Bales pauses to reflect.

The goal for the *Cat Tale* staff this year was to produce a book, "more relevant to students and to society." Under the direction of Mr. Paul Ingersol and Kevin Bales, Editor, the staff kept busy trying to portray the student as themselves, with their many moods. Early in the year the staff attended a workshop on the O U campus, for hints on pro-

ducing a great yearbook. Meeting 3rd hour daily, the 13 member staff, 6 of which are seniors, worked together to produce a book of the high All American rating. Late in the year sophomores were chosen from application and personal interview as members for the following year.

The *Poncan* staff under the direction of Mrs. Jean Faulconer, produced a paper this year that contained a wider variety of material than ever before. New columns such as *Under Glass* and *Car of the Month*, as well as controversial material on sex, drugs, and others were well received by the students. LeaAnne Brown, Editor along with Mrs. Jean Faulconer and the staff kept on the run trying to uphold the high standards the paper has always maintained.

Po-Hi's "Sandmen" prepare to set out the luminaries around the school during the Christmas Season.

Work began in September when homerooms elected representatives to Student Council. Fall projects were Howdy Week, and Homecoming. In November Po-Hi was host to the Oklahoma State Student Council Convention for three days. Then the Salvation Army Canned Food Drive was at hand, with canned goods everywhere. The Christmas Luminaries were set up in the front yard of the school.

The time came to give money to the Po-Hi Chest for the betterment of the community. Intramural sports for homerooms were: basketball, wrestling, and volleyball. Teacher Appreciation Week was in March. The Student Council selected the major project for the year. With the election of new council officers, the 1969-70 Student Council year ended.

## 17th Youth Traffic Court Proves Successful

Dependable leadership guided the Youth Traffic Court this year, as Steve Bunting and Gail Miller led the court as judges. Prosecuting attorneys were Gracelyn Brown and David Frohlich. Paula Thomas and John Mehning aided students as defense attorneys. Bailiffs Jani Fuller and Tina Wong kept order while Monta Jo Welch and Janet Goodman, clerks, kept court records. Sgt. Harold Goodman was the adult advisor.

The Youth Traffic Court has the jurisdiction of a municipal court. It decides guilt and innocence of high school traffic offenders. Themes and weeks in traffic school are penalties assigned to those found guilty.

Members of the Tri-Hi-Y organization. Standing in the back row are: Walker, Jarman, Harris, Myers, Trout, Barrington, Tharp, Crapinski, and others. The front row consists of several girls sitting on chairs.

Service to the community was this year's motto for Tri-Hi-Y. This was achieved through the distribution of Thanksgiving baskets, a Christmas Party for grade school children, and donations to a family whose home burned.

Fun projects were Leap Week in which the girls asked the boys for dates, held a slave sale, and honored Mr. Leap Week and attendants at the Valentine Dance, and the annual slumber party.

Thirty-seven girls represented Ponca City at the 1970 Youth and Government Session at the state capitol in April. Participation requirements for Youth and Government were an interest in government and attendance at Pre-Leg. in February.

Tri-Hi-Y sponsors were Mrs. Barbara Ware, Mrs. Martha Christensen, and Mrs. Bernita Boesch.

One of the many clubs at Po-Hi is the Hi-Y club. It is sponsored by the Young Men's Christian Association. A large number of the Hi-Y members help referee YMCA football, basketball, and baseball.

The high point of the year was the annual trip to Oklahoma City for the YMCA sponsored Youth and Government. The program was divided into two parts, legislative and judicial. In the legislative, delegates took seats in the Senate and House of Representatives, debating and voting on bills. In the judicial, delegates participated in district court trials and supreme court hearings.

Sponsors for the group were Mr. A. Lloyd Gelmers and Mr. Paul Ingersoll.

## AFS Imports Regula and Brazilian Cheer

The Po-Hi American Field Service Club is affiliated with a national group in fact, an international group of people. The student members, sponsored by Mrs. Oates, work locally to make our exchange student feel at home and to develop a better understanding between nationalities.

This year's club, led by President Connie Aitken, Vice-president John Mehring, Secretary Susan Hess, and Treasurer Jan Eskew, was a hardworking group. Last fall they organized a tea for the AFS representative who attended the State Student Council Convention. Besides presenting Regula Baumgartner with the traditional ring, the club sponsored an AFS Day in March to bring together six AFS students from across the state. The visitors observed our classes, witnessed election campaigns, and led an interesting panel discussion.

The club works diligently towards its aim . . . understanding.

AFS members were FRONT row: Mary Welch, Barbara Gordy, Sidney Ward, Kim Craplin, Regula Baumgartner, Connie Heldenbrand, Mary Lowe. SECOND row: Dana Welch, Susan Shriver, Beverly Chetty, Sara Stewart. THIRD row: Jan Eskew, Jan Brackman, Delly Link, Betty Monnet, Rowler Edwards, Barbara Coleman. FOURTH row: Margaret Jones, Nancy Davis, Sherel Parkinson, Kathy Smith, Dana Chambers. FIFTH row: Karen Turner, Nancy Fraick, Susan Hess, Andrea Anderson. SIXTH row: Marvin Clark, Faebe Toxt, Connie Aitken. SEVENTH row: George Justice, Rhonda Aitken, and John Mehning.

Regula Baumgartner, Connie Aulen, and Mrs. Oates conferred on plans for the AFS Day party.

Regula Baumgartner, hailing from Brazil, bubbling Portuguese, and finally conquering English, found a new sister and a new family with Susan and Mr. and Mrs. B. H. Shriver. She served well as an ambassador from Brazil, supplied with a warm smile and an easy-going manner.

At Christmas, the Student Council made Regula a cowboy with her own boots. Snow in March proved Regula to be a great marksman, pitching a snow ball like a pro.

Regula arrived in August as a stranger and a foreigner. We hope she departed feeling accepted and more like a native.

Sixty-five students are in the Distributive Education Clubs of America at Po-Ha, this is a class and club. In DECA members learn salesmanship, marketing techniques, and the art of display through classwork and on the job training.

Students in Distributive Education receive two credits for their work, one for the class and one for the job. Only juniors and seniors are eligible to take this course.

This year DE has had the use of the display case in the main lobby. Here they have practiced display techniques with articles from their employer's store.

# FTA Showed Interest in Teaching Profession

Practicing the skill which will make her a better teacher, Kathy Maxwell reprimands Miss Lynn Fox.

First project of the Future Teachers of America was a coke party for all prospective members. For their Christmas project, the club provided the special school with a Christmas tree.

In March three members of the club attended the state convention at Stillwater with their sponsor Mrs. Janette Norman. During Teacher Appreciation Week, a coffee was held for all teachers before school.

The outstanding senior girl who plans to become a teacher received the Madge Quigley Scholarship.

Local Paramedic Club is affiliated with the State Health Science Club. Each member volunteered two hours to assist nurses, nurses aides, and patients at Ponca City Hospital. The club members attended the Second Annual Medi-Fair Convention at Tulsa where they won the Community Service Award. At monthly meetings additional projects for the year were formulated. During the Christmas Season they caroled at Shawn Manor Nursing Home and the hospital. In the spring Paramedic members toured the Norman Mental Institution.

The Future Homemakers of America not only served the school in different projects, but also learned to become better homemakers. They held a Christmas Party for the American Legion Home students, served at the State Student Council Convention Banquet, and made sewing repair kits for the teachers. In their meetings, the FHA Club had interesting guests such as Dr. Joan Leavitt and a representative from Mary Kaye Cosmetics to teach them about subjects necessary to good homemakers.

Members of the FHA were: FRONT row: Cindy Lawler, Treasurer; Rita Johnson, Secretary; Janice Whinniger, President; Deanna Taylor, Vice President. The FJA Club, sponsored by Mrs. Falconer, is designed to interest students in journalism and teach them how to write effective articles. The FJA Club sponsored the "Ideal Date" project, and members of FJA attended a fall convention to improve their writing. Officers of FJA were Kevin Bales, president; Patricia Popham, vice-president; Dee Monsour, secretary, and Dianne DeVillers, treasurer.

Members of the FJA were: FIRST row: Krista Schifers, Parti Hamble, Dee Monsour, Lorna Anderson, and Susan Donovan. SECOND row: Parti Williams, Mrs. Jean Falconer, Dianne DeVillers, Diane Close, Sue Dnesel, Susie Vollman, Pat Popham, Linda Hisk, and Kevin Bales.

# Math Club Members Prepare for College Courses

The Math Club, sponsored by Mr. Lloyd Gelmers, helps students to gain knowledge about math and enjoy it. The members of the Math Club take college tests for practice, work on especially difficult problems, and learn new math techniques during their meetings. They also claim to have one of the highest per capita treasuries of any club because they don't know how to spend their money.

Math Clubbers David Frohlich, Bobby Thomas, Gary Ramsdell, Richard Schneider, and Don Brinson find many uses for the club's slide rule.

# Library Club Raises Money to Help Buy New Books

Being involved with many projects has kept the Library Club very busy. They showed an old Abbott and Costello movie to the students during home-room. This helped to raise money so that they could help buy books for the library. A coffee was given for the faculty and trips were made to Cushing and Cleveland for library club conference meetings. The officers for this year were President Sue Cloughley, Vice-president Katie Kizer, and Secretary-treasurer Ann Myers. Sue Cloughley was elected district vice-president.

# Oo-Kee-Hee Club Takes Active Interest in School

Sponsoring a dance for Po-Hi was one of the main projects for the Oo-Kee-Hee Club this year. This club helps to find colleges for members to go to after they graduate from high school. This year's officers were President Vanice Howe, Vice-president John Kent, Secretary Rebecca Littlehole, and Historian Ulysa Whitehorn. The sponsors were Mr. Delbert Carlile and Mrs. Ruth Braubien.

Another year has gone by for the Brush and Palette Club, which was under the direction of Miss Main, art instructor for Po-Hi. This year the members were busy knitting scarves and selling them to the student body as one of their projects to help raise money for the club scholarship fund. This year's members elected for offices were Carole Suggs as president, Gail Erkenbeck as vice-president, and Dixie Haas as secretary.

The Science Club at Po-Hi was an active one. Members listened to guest speakers, made several trips to Continental Oil Company, performed experiments, and for the annual field trip, went to Boiling Springs State Park near Woodward, Oklahoma. On the field trip, the young scientists collected insects, leaves, and other forms of wildlife to add to their collections. The trip was not all work, however, as the members made volleyball a part of the daily routine.

Members of the Science Club were Bruce Spears, Jake Skidmore, Lane Whitesell, Gerry Haggi, Brian Tapp, Mary Welch, Al Schmid, David Berman, Stan Gore, LaVerne Megee, Dennis Smith, Mike Stanfill, Linda Steichen, Jim Stewart, Lewis Bacher, Winston Lindsey, and Chuck Shepler.

# Reel Rollers Care for Costly Audio-Visual Aids

Po-Hi's Reel Rollers liven up our class day by using their technical skill to bring us films. They also splice broken film and take care of \$6000 to \$7000 worth of audio-visual equipment.

Led by their sponsor, Mr. Paul Ingersol, the Rollers show an average of two to three films each hour of each day, or about 543 films a year.

CORE. The center. The building block CORE is a new program at Po-Hi which deals with the idea that today's students are the core around which the future is built.

The students have class periods for half a day under the guidance of Mrs. Joyce Thomas. They concentrate on communications, occupations, and applied studies. The rest of the day the students work at jobs which the school has helped them find. They not only learn the skills of their particular job, but also learn to work and serve the community in which they live.

Students are in the program for two years. At the end of this time their high school education is complete and they then may enter a trade school.

One of their main projects this year was the production of a three-act play "To Be a Man," which they presented for an OSU Graduate class in Curriculum Development. They also presented the play to invited guests in the Howell Auditorium.

Debate Club members seem to be pondering on a question. But what is it? Members are the same as listed above.

Speech Activities teacher Mrs. Sally Ritchson, listens carefully as students finish the year with oral semester tests.

The Speech Activities class at Po-Hi, under the direction of Mrs. Sally Ritchie, work in all areas of competitive speaking. Among them are after dinner extemporaneous speaking, poetry, humorous and dramatic interpretations of literature, humorous and dramatic duets, and debate. Besides class work they also give club programs and contest work in their various areas of speaking. By competing in contest work, they earn points to enter the National Forensic League. The League creates an interest in speech by setting standards in

scholarship and contest ethics. A 3.00 pt. grade average and a minimum of 25 points are needed to become a member. Local officers are chosen to represent the club in national rankings. This year the speech class has found time to write and produce a 15 minute weekly radio show, and through the assistance of Mr. Bob Westmoreland and Studio See, write and produce a 30 minute bi-weekly T.V. show. Both are entitled Po-Hi-Pourn, which, as the name suggests, is a pourni of life at the high school.

# Senior Play a Success Due to Excellent Acting

"Good-bye, My Fancy," a poignant, realistic play presented by the Senior Class November 12 and 13, was the story of a lady congressman who returns to her alma mater to receive an honorary degree. Memories are relived and discoveries are made about each person. The cast did an excellent job of acting and the audience thoroughly enjoyed this fine production.

February 24, 1970, was the night of the Junior play, "Up the Down Staircase." After six weeks of rehearsal and preparation, the junior play cast and the audience were anxious and excited. The play was a study of high school students and high school life. Many problems were solved and many new ones developed, just as in our lives at Po-Hi. Perhaps this similarity is why the play was so well received by the audience.

Directed by Mrs. Velma Mitchell, Mrs. Marie Moore, and Mr. Robert Moore, the Panic was the major production of the school year.

As in every Panic, the competition between homerooms for the top skit was keen. The junior homeroom of Mrs. LaVelle Wittmer presented a slightly warped account of the Shakespearean tragedy "Romeo and Juliet" to win first place. Second place went to Mrs. Janette Norman's senior homeroom for their "Seeing Things in a Different Light," a short skit revealing the "true" story behind general historical occurrences. Miss Mary Bingham's homeroom placed third with the skit "Everybody is a Star."

Student director was Karen Bover.

Ponca High School Orchestra under the direction of Mr. A. H. Long, has kept at a busy pace with their projects, trips, and concerts. Early in the year the class, comprised of all three classes, designed the project of selling fruit cakes. The profit from the cakes went toward their annual trip. This year the cakes sent them all the way to Dallas to have an enjoyable day at Six Flags, stopping at Norman and Duncan to perform in concert. The style of music the orchestra has played this year is mostly classical with some contemporary, as was displayed in their concerts.

The first concert held in the fall was for parents. Later they were hosts as Miss New Mexico joined them in concert.

Visited along the way were a number of scenic spots including the Colorado State Prison, several concerts were also given and the band competed in interstate competition.

"Left, left . . . point those toes." Girls belonging to Drill Team often heard these words. They practiced first hour learning dances. Dee Monsour, La Vawn Keeney, Lennis Massad, Nancy McCartney, and Kathy Buttram taught the routines which they learned at the 1969 Summer Drill Team Clinic.

The Drill Team performed during halftime at football and basketball games, in the Pon-Dram Panic, and in the Drill Team Review.

Excitement and enthusiasm is expressed by the Dynamiters who attended the End to \_\_\_\_\_

"Dynamiters, Friday is a color day. This announcement was heard every Thursday during football, basketball, and wrestling seasons. On Friday PO-HI was alive with girls dressed in red and white.

Groups of screaming, squirming PO-HI girls rampaged the first football game of the year to yell for the Wild cats. The girls then supported Wildcat athletic teams at home as well as out of town. Pep assemblies, sack surprises, spirit posters, and decorated locker rooms were only part of the many tasks of the pep club members. Dynamiters performed at halftime and honored homecoming royalty. In every sport their enthusiasm and excitement helped promote school spirit.

Dynamiters were led during the 1970 school year by LaVawn Keeney, President, Lennis Massad, Vice President, Sue Loving, Secretary, and Sandy Felix, Treasurer.

The Ponca City cheerleaders, after winning the first place ribbon and the spirit stick every day of clinic at S M U., received the regional Coca-Cola plaque, naming them No. 1 boy-girl squads in the state of Texas. Before bringing their honors home, the P.C. bunch stopped for an all-day affair at Six Flags Over Texas to cap off the week of victories.

Next came notification of winning the National Cheerleaders Association Coca-Cola Grand Prize. This included a \$500.00 charge account from Cheerleader Supply, a featured part in a film of cheerleading entitled *All Eyes on You*, a front cover picture on the *The Megaphone*, and a case of Cokes for each squad member.

After winning the top prize at the

The following months held numerous activities: the Panic, the United Fund Drive, a half-time performance at N O C., the Drill Team-Cheerleader Review, and clinics directed by the cheerleaders in Ponca and Wichita.

After auditions in Oklahoma City and Tulsa, the squad appeared on the Original Ted Mack Amateur Hour. This involved a two day bus trip to Dallas for the taping.

## Lion's Award

*Miss Sue Loving and Mr. Gerry Hanggi*

Each year, in the Spring, two outstanding class members are elected by their classmates. These students are honored at the annual Award's Night.

The two outstanding students receiving the Lion's Award as seniors were Sue Loving and Gerry Hanggi. This award is given by the Lion's Club of Ponca City.

The outstanding juniors, receiving the Nonnamaker Award, were Donna

Myers and Royce Robertson. This award is given in memory of Frank Nonnamaker, a former Po-Hi student, by his parents. On January 9, 1945, Frank gave his life to help a wounded comrade on the battlefield.

The outstanding sophomores were Robin Mussett and Gary Betow. They received the Sallee Award, honoring

Howard Sallee. Sallee was killed on June 26, 1945, in a training accident. His fellow cadets raised money as a memorial to him. The interest on the original amount is used for this award.

These awards honor two outstanding former Po-Hi students. They recognize the outstanding students of Po-Hi today.

# School Volleyball Team Takes Second State Championship

Gerry Baker, right, gets set for a block, but the ball fouls in the net.

Possibly the most successful of all Wildcat Teams is the Volleyball Team. For its second year in existence the team captured for the second time the state Volleyball championship. Led by Mr. A. Lloyd Gelmers the team was recruited from the best players of the intramural play.

and Buddy Strong

Keeping up a good pace was the main idea behind running two miles. Keeping their own were. Left to Right: Steve Mathews and Mike Thompson, and freshman Ron Stangeland.

## Cross Country Runners Place 4th in State Meet

Starts were crowded but soon thinned out as the faster runners took the lead.

After seven years at Po-Hi, the Wildcat Cross Country Team is still going strong. This was one of Coach Gordon Stangeland's best years. The "A" Team won four out of five dual meets while the "B" Team won three and lost none. This year's team was composed of only a few seniors, the rest being sophomores and juniors. Daily workouts were held in War Memorial Park, The Country Club golf course, and "Snake Road" around Lake Ponca.

John Wornack sprints hard toward the finish of two miles.

John Womack and David Cummins turn it on to pass an opponent during a race.

# Bill Dickey Wins 157 Lb. State Championship

Senior Bill Dickey

This was the year for wrestling. Second-year Head Coach Bobby Wilson brought the conference crown to Ponca City after losing it last year in the final dual match of the season. The team standouts for the Wildcats this year were Senior Bill Dickey and Junior Mike Kolb. Dickey won the 157 lb state championship after defeating Belflower from the State Championship Team, John Marshall. Belflower had pinned Billy earlier in the year for Dickey's only defeat by a fall in his varsity career. No doubt there was some measure of revenge involved. Mike, who finished third in the State Tourney, won 20 straight matches before dropping the finals of the Regional Tournament and losing in the Semifinals of the State Meet, to wind up 21-2 overall.

Besides the regular matches and the tournaments, the wrestlers also battled and defeated the O.S.U. Intramural champs of the SAE fraternity in a Mike Davis Benefit. They later returned the favor by raising money for the Ray Murphy Fund.

And it all broke loose as the "Fightin' Wildcats" defeated Tulsa Edison to insure the conference title.

## Roundballers Fight to the End but Fall Short

The 1969-70 Wildcat basketball team fought and worked hard this year but finished with a 1 and 15 record for the season. The Junior laden squad was plagued with injuries which resulted in the loss of some early season starters.

Junior regulars Rick Waters and Fred Simmons, who led the team in scoring, will provide a good basis for next year's team along with Gerry Baker, Gary Owens, Frank Buttington, Mike Hermes, Keith Wallace and Richard Banta. The only Seniors to finish the season were co-captains Dave Clark, George Rochelle, and Gary Ramsdell. Ted Carney and Ron Davis were lost during mid-season due to injury.

## Track Team Little in Size, Big in Competition

Steve Porter jumps with energy as Dan Paige hands him the baton in a relay race

The Wildcat Track Team was small this year, but that didn't hamper its performance. Gary Owen broke the school record in discus, while the relay team, composed of Steve Porter, Dan Paige, Phil Guinn, and Richard Schneider, consistently trimmed its time in each of the various relay races.

David Cummings and John Womack were the team's outstanding distance runners.

Coach for the 1969-70 Track Team was Mr. Jerry Runyan.

Members of the Boys' swim team were as follows: Coaches Dewey Runyan and Ralph Chesser, Doug Cooper, Paul Butt, John Anderson, Stan Gire, Wesley Wong, Blaine Tallist, Monte Stewart, Mary Countrinan, Lee Headrick, Steven ... Bruce Parr, Dale Sanders, Gary Pockempaugh, Bobby Parris, Mike ... Glen Sanders and Pat Murphy.

Helen Harelid gives her sprint an extra push as she starts off with a beautifully maneuvered dive.

Po-Hi's Aquatic Club may not have a cheering section complete with cheer leaders, but the sport deserves and proves it as shown by the members of Po-Hi's swim team. Coaches Dewey Runyan and Ralph Chesser found the competition for the year somewhat easier. First in the girls' division a lack of statewide competition has brought about the elimination of the girls' state meet. The only competition the girls can enter are meets arranged through the A A U. The boys ranked high with an 8th in state competition, and a 3rd in the Oklahoma Seven Conference.

From left: Chris Beatty, Beverly Barger, Leslie Lessert, Polly McCormick, Coach Wally Smith, Debbie Lessert, Janice Snow, and Gayla Martin.

The 1970 Girls' Tennis Team brought the state championship home to Ponca. Junior Beverly Barger is the state's No. 1 singles champ. She also claimed the titles in the Midwest City and Wildcat Invitational tournaments. Polly McCormick and Leslie Lessert shook the No. 1 doubles bracket by winning the state trophy without losing a set. Debbie Lessert will give the team a chance at another state championship next year.

Coach Wally Smith summed up the year saying, "The Wildcat girls know how nice it is to be best in the state."

Les Lessert and Polly McCormick pose with their trophy for the state No. 1 doubles bracket.

Completing thirteen dual matches with an 8-5 record was the boys' tennis team. The team played in four tournaments. They captured the two position in the Oklahoma Seven Conference, the third place in the Wildcat Tournament, and fourth place in the 4A State competition.

Wildcat number one man, Larry Randle, completed a successful season winning his bid for the No. 1 doubles championship with junior Paul Waldron and taking second position in the No. 1 singles bracket. Paul Waldron also placed second in the No. 2 singles division.

Conference doubles champ Larry Randle listens patiently as his partner Paul Waldron gives a word of advice.

# Fuss Wins Team Title in Tough Wildcat Match

This year the intramural wrestling program was received with such enthusiasm that the tournament was held on the patio, enabling hundreds to watch the matches.

Mr. Don Fuss' homeroom won the team title while 2nd place finisher, Mrs. Norman's homeroom claimed the most individual champions with three titlists. The tournament was sponsored and officiated by Coach Wilson and the varsity wrestlers.

Barry, the 115-pounder, is waiting for his semi-final go-round. Catlin won the 115-pound title. The other two are waiting for their matches.

# Schwenker Takes Intramural Volleyball Crown

Larry Randle attempts to spike George Rochelle's set

Once again the World Serious Volleyball Tournament was the highlight of the year for the homerooms of the senior, junior, and sophomore classes. Although closely rivaled in enthusiasm and interest by the intramural wrestling program, volleyball was the king.

The finals boiled down to the top seniors vs. the top juniors. As last year the seniors prevailed. The junior champs of Mrs. Christensen's homeroom never had a chance.

# Tug-of-War Highlights Wildcat Relays

Wildcat Relays. A few races, sprints, relays, but mostly a tug-of-war contest.

Ha-ha. Funny how the fat guys are always on the end. The girls mostly just laugh and groan and scream. The big-boys of the homeroom carry the load they show their "fightin' Wildcat" strength. It seems it always ends with somebody's team winning and the other team losing. They keep it going till only one team hasn't been out-rugged. All the teachers shout alot. Wonder how come the rope never broke?

# Juniors — Just the Right Age

Juniors . . . too old to plead the ignorance of sophomores; too young to know it all

To be a Junior girl is to

A) Realize the year of your planned adolescence has arrived

B) Sit home a lot

To be a Junior boy is to

A) Discover you've got appeal

B) Suddenly see "doilies" falling at your feet

But this class of '71 did not suffer from complete separation of the sexes. Led by John Phelps, Chuck Bell, Donna Myers, and Mrs. Mitchell, sponsor, they compromised and sold the most magazines, built the best homecoming float, provided the best baby-bottle-drinker, and won 80% of the spirit awards.

Juniors . . . just the right age!

John Phelps, class president, gave the "thumbs up" sign for Junior plans.

Junior class secretary, Donna Myers, was a swinger.

# Speeches, Diplomas, Tassles . . . Our Beginning

1970, we're the class of 1970  
and now we really are  
you know there were times I really  
didn't think I'd make it  
We made it  
For three long/short years that  
imposing tan building was most of  
Our lives  
Now each of us must find a new  
Way of life  
We stand on our own legs now  
But invisibly our school  
will always be with us  
Good Bye

Secretary of the senior class Jan Fuller changes Jerry Daniel's tassel to the right.

## Encounters Continue . . .

It has been our aim throughout this year to engineer a book more relevant to the student body as a whole, the proof is in the pudding now and our success is left to you the reader

The entire endeavor would have been impossible, however, without the assistance of a number of people, and now the 1970 Cat Tale would like to offer its deep appreciation to

Mr. Jerry James for his expert photography

The Ponca City News and the Poncan whose records, pictures and rubber cement we constantly borrowed

The Time-Life Corp. and The Oklahoma Journal Publishing Co. for allowing the use of their pictures

The Ponca City Park Dept. for the use of their beautiful scenery

That unknown architect who landscaped the front lawn

Mr. Barclay Curtis and Mrs. Lu Carroll and the Taylor Publishing Co. for their guidance and patience

Mr. Robert Ford for making us stand on our own two feet, no matter which side of the line we stood on

The Po-Hi Student Body for being so photogenic

And especially to our advisor and sponsor Mr. Paul Ingersoll, without whose understanding, patience, leadership and guidance this book could never have come into being

My dear Dorothy,  
I have just received your letter  
and am so glad to hear from  
you. I am well and hope  
these few lines will find you  
the same. I am sure you  
are doing very well.  
I am, your friend,  
Dorothy Spinks

Dear Dorothy,  
is it Daddy? Well, if it  
just reminds me the first name  
of a young lady, it's better a lot  
of fun the quiet years knowing you  
French has been a 'blast' of it.  
I know what I mean. B. P. I mean  
you next year and was

The first year of the  
 year was a very  
 successful one. The  
 work was done in a  
 very satisfactory  
 manner. The  
 results were  
 very good.

I can't believe you  
remembered all these  
addresses; — it would have  
killed me! You've a nice  
sweet girl & I hope she fits  
you as well as you fit her.  
I hope you'll be a

Don't they!

I'm planning on having  
a thriving time, only you  
won't be here. I really  
think we had a great time  
this year.  
It will be the same next  
year, everything will change,  
but I hope my senior year  
will be good. "I

Don't they!  
You are a great guy. I mean it. It has been a sheer  
joy knowing you and working with you in Speech and  
everywhere else we were ever associated. Good luck  
to you whatever you decide to do, I know you will succeed.  
Take care of yourself and take care of Tom.

Dorothy,

I really hate to see  
this year go but I  
can't stop time so

I suddenly am afraid  
of cutting relationships  
it takes a great leap

I guess the fall will  
be a little sharp  
over my friendship  
Rich

you will be in  
school and have  
fun next year.

and if you have time  
sometimes drop me a  
note and please  
good bye

Dorothy—

What does one tired person write to another?  
Good bye is a yucky word, even though you'll  
be in Edmond and I'll be in Stillwater.  
You have to come see me - I'll even make Liz  
let you sleep in her bed..... we have been  
through so much together [oh, brother!] that I'll  
feel awfully funny not seeing you.

Needless to say, you are like my brother  
[sister?] and ~~nothing~~<sup>com</sup> ~~things~~ that.  
This pen is weird.

Sometimes I'll think of us in that 5th  
grade home class and laugh. I have a  
feeling there will be times when we need a  
laugh.

I think it's mentally unhealthy to think  
too much of what's over, so - here's to the future!  
I hope you have one that is the envy of  
everyone.

Be happy. After all - what else are  
we here for?

Love-
